Caring, Achieving, Making a Difference Together

Dear Parents and Carers,

English

Next week in English we are continuing to write sentences using capital letters and full stops. The children will be encouraged to extend their sentences by using the conjunction 'and'. You might like to write a diary about your weekend and use 'and' in your sentence e.g. I went swimming and then I went to the park. We had lunch and then I played with my toys.

Geography

In Geography we are learning about 'Our Country'. The children need to know the 4 countries that make up the United Kingdom. (England, Wales, Scotland and Northern Ireland.) You may like to support your child to locate these countries on a map. To further support your child in naming each of the four countries of the UK and their capital cities we will be learning to sing a song. Please follow the link to access the song:

Book and Biscuit Friday

On Thursday 25th April, the children participated in an assembly over Zoom with Rita Fowler, director and chair of the Mustard Seed Project. This project helped build and now owns and runs the 'Miche Bora Nursery and Primary School' in Mombasa, Kenya.

Each Friday afternoon the children will be participating in a special story time called 'Book and a Biscuit'. For a donation of 50p each week the children will vote on a story to share and enjoy a biscuit.

These donations will go directly to the charity and help, not only with the daily running costs of the school, but it will also help feed the children, fund playground and PE resources, purchase school uniforms and go towards the current campaign to purchase land as a playground for the school.

If you have any queries, please speak to your child's class teacher.

Many thanks for your continued support.
