

TEMPLEMOOR INFANT AND NURSERY SCHOOL NEWSLETTER

Autumn Newsletter 2023

Welcome

I would like to warmly welcome you all back to school and thank you all for your support during this very busy half term. I really have appreciated it. I would like to give an extra special welcome to the many new children and families that have joined us this year. We hope that you already feel very much a part of the Templemoor community and we look forward to working in partnership with you in the year ahead.

We are absolutely thrilled with our new Early Years Building and our newly refurbished Year 1 classrooms. Many thanks to all our fabulous staff who have worked tirelessly to ensure the classrooms were all set up and ready to go! Children are especially excited to have their playground back with lots more space to play. We look forward to developing the playground further in the coming months.

I think that everyone is ready for a rest now at the end of a very successful half term, staff included! I hope that you and your families have a lovely half term break, and look forward to seeing you all on Tuesday 31st October 2023.

Very best wishes,

Mrs Brown

Acting Headteacher

We are Adventurers (WAA)

Our Year 1 and Year 2 have thoroughly enjoyed their weekly outdoor learning session with "We Are Adventurers." The sessions develop a wide range of skills such as team building, taking risks and problem solving.

Children in Year 1 have made clay faces, sculptures and made some delicious food using sticks, leaves, stones and mud. Luke the Lion, our forest school leader from WAA, taught the children about how to respect nature, stay safe and develop team working skills outside.

In Year 2 children have been learning how to explain their opinions and develop friendships. Children have created 'friends' using natural materials, completed a guided assault course and created their own art work out of natural materials. All the sessions ended with a celebratory toasted marshmallow!

We have been delighted to be able to offer these forest school style sessions as part of our exciting curriculum at Templemoor.

Sale Food Bank

I have the right to good quality health care, to clean water and good food - **Article 24 UNICEF**

As part of our UNICEF Rights Respecting Work, we once again decided to collect gifts for our local food bank. Children in Year 1 and 2 had a visit from local food bank representatives who talked about the work they do and how we as a school family can help. Many thanks for all of the wonderful donations that have been sent into school. Our children are learning that 'together we can make a difference'.

Ocarina

Children in Year 1 are loving learning how to play the ocarina. Mr Robinson, our teacher from Trafford Music Service, has been very impressed with how musical the children are! Many thanks to the Friends of Templemoor for funding this opportunity for all of our children.

We would like to invite parents of Year One children to the Ocarina Concert on Monday 27th November at 2:30pm.

New Staff

We are delighted to welcome three new staff members to the Templemoor team. Miss Bamforth, our new Reception class teacher, Miss Williams, our new teaching assistant in Reception and Miss Butler, our new teaching assistant in Key Stage One and Early Years. I am sure you will join me in welcoming our new staff and wishing them all the best for their future at Templemoor.

A Message from the Chair of Governors

Welcome back to Templemoor and the new academic year. If you are new to our school, we send you a very warm welcome to our school community!

The last few months have seen an amazing transformation take place as work has been ongoing to expand, refresh and repurpose so many areas of our school. I hope you will agree that the end result is that we have a bright, modern and exciting environment in which our children can learn and flourish.

It has been such a busy time for staff and I would like to take this opportunity to say thank you to them for the hard work they have put into the project and for making sure that everything was in place for the start of the new term – it was no mean feat! We now have 3 classes in Year 2 and other year groups will expand in the future as our numbers grow.

As Governors, we work very closely with Mrs Brown and her staff to make Templemoor the best school it can be in terms of the quality of educational provision but also in our support for our pupils, our families and the wider community. We are really grateful for the contribution our families make to the life of our school whether that is supporting school events, becoming involved with the PTA or volunteering in the classroom. Opportunities to join the Governing Board as a Parent Governor will arise throughout the year and if that is something that you are interested in or you simply want to understand more

about what it entails, please do not hesitate to contact me via the school office.

With best wishes from the Governing Board.

Judith Davenport

Chair of Governors

Friends of Templemoor

A huge thank you to the Friends of Templemoor for their efforts last year in raising much needed funds for school. The Friends of Templemoor have lots of exciting events planned this year. The recent Lego Workshop Afternoon was a great success, children had really lovely time playing with their friends, and it was a chance for a catch up for the grown-ups! Remember to put the 2nd December in your diary for our school Christmas Fair!

Keeping Children Safe in School

The safety and well-being of children is paramount to all that we do at Templemoor. School policies and procedures are in place to ensure that all members of the school community can work together in a way that supports safeguarding for all. There is key member of staff who have responsibility for all safeguarding issues in school. All concerns are reported to the designated Safeguarding lead, Mrs Brown (or Mrs Cundick in her absence). All school staff have a duty to report any concerns that they have or anything brought to their attention by a child or another member of the community. The school also have a safeguarding governor, Mrs Davenport who comes into school regularly to ensure that safeguarding polies and procedures are reviewed and updated. All staff have safeguarding training each year, including Prevent training and online safety training. Please remember any member of the public can make a referral to Trafford Children's Response on 0161 912 5125. If a child is at immediate risk of harm call the police on 999.
