Friday 12th April 2024

Dear Parents and Carers,

We hope you had a lovely Easter break. We have had a busy and exciting first week back.

Are We There Yet?

To start our new topic we looked at a globe. We asked the children what places they know the names of. We talked about the places the children named and if it was a country, city or town. We were very impressed with the number of countries the children named!

Airport Trip

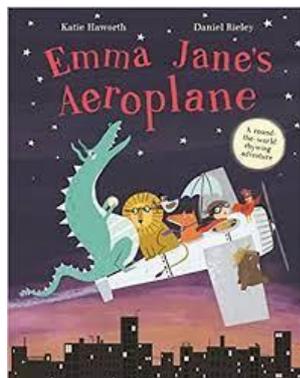

On Wednesday we had a fantastic time on the trip to the airport. We were **very** proud of all of the children, they were so well behaved and listened well. The children were all very excited travelling on the double decker coach and eating a packed lunch when we got there! The children were able to watch aeroplanes take off and land on the runway. They were also able to go on an aircraft (stationary) and half an aircraft!. The children found out about different jobs on an aircraft, on the runway and at the airport. Some children dressed up for these different jobs. All of the children also visited the flight deck. We were also able to look at Concorde. Click on the link below to watch a video of a tour of the inside of Concorde.

Story of the Week

To start our new topic 'Are we there yet?' this week we have been reading a wonderful story called 'Emma Jane's Aeroplane.' In the story Emma Jane travels in her aeroplane to different cities around the world. At each city a different animal joins her on her aeroplane. The story prompted lots of discussion about the different cities and landmarks.

Click on the link below to listen to the story.

Maths

This week we begun a new have White Rose Maths topic 'To 20 and Beyond'. Can you play the 'The Tens Frame Game' at home with your child Use a dice or number cards as suggested on the activity. .

#MathsEveryoneCan

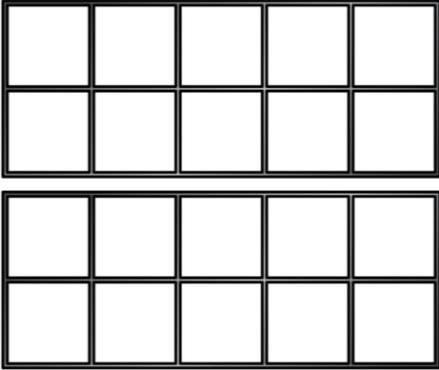

Play 10 frame fill with a friend.
You will need two ten frames each and a set of 1-10 numeral cards.
Turn over a card and place the corresponding number of items on your 10 frames.

How many items do you have altogether?
How many more do you need?
The winner is the first player to fill both 10 frames.

White Rose Maths

Water Bottles and Sun hats

During the Summer Term, please can we ask that all children bring a water bottle everyday and as the weather gets warmer (fingers crossed) children bring a sun hat and wear sun cream when necessary.

Trafford Music Service

This term the children in Reception are taking part in a music project called 'Little Voices'. The sessions are led by a music specialist, Jenny Davies, from Trafford Music Service. The children are going to be learning a variety of songs and actions. At the end of the 10 weeks a special music concert for parents and carers of Reception children will take place on 10th July at 2.30pm.

Dates for your diary

Tuesday 30th April Please can children come into school wearing their P.E. Kit / sporty clothes. The Reception children will be taking part in a 'Freddie Fit' session.

Tuesday 14th May, Smile please! The school photographer will be in school to take class photographs on Tuesday 14th May 2024. These are a perfect memento of your child's time in their current class and one that they will treasure forever. We will be working once again with Andy Whittaker Photography, who are a local Sale based company.

Friday 24th May 9.00am Parents are invited to watch the Reception children's second assembly. The children will be sharing with you what they have been learning this half term. We hope you will be able to come and watch your child.

Wednesday 10th July 2.30pm Parents are invited to watch the music concert 'Little Voices'.

Thank you for your ongoing support.

From The Reception Team.
