

Templemoor Infant and Nursery School

Year 2 Home Learning: **Week 2**

Welcome to your child's home learning pack for week 2.

Here you will find a range of tasks that have been set by your child's class teacher to keep up with learning at home. We have given your child a book to record their learning progress. Happy learning!

Subject Area	Task to Complete
Reading	Read some of the books that have been sent home and talk to a grown up about what you have read. Complete Reading Task 'Minibeasts'.
Writing	Write a poem or a story about a minibeast. You might like to use a traditional story that you know well and change the villain to a minibeast! Perhaps even a superhero minibeast.
Mathematics	Complete Maths Task Week 2. Learn the language of position and direction: describe position, direction and movement, including whole, half, quarter and three-quarter turns. Give your child directions, set up an assault course, play treasure hunt games following instructions. Extension-Learn to tell the time to 5 minute intervals (only if you child can confidently tell the time to 15 minutes)
Project Work	Make a tally of the minibeasts you find in your garden.
Online Learning	Espresso: Search-minibeasts-KS1-watch In the long grass video. Activity-Where do I live? Mathletics: Time activities
Other tasks to complete	Build a home for a minbeast and take a photograph of it to show us when you come back to school. Create a collage of a minibeast. Play a board game with your family. Go outside and play! You could maybe build a den?
