

Templemoor Infant and Nursery School

Reception Home Learning: **Week 1**

Welcome to your child's home learning pack for week 1.

Here you will find a range of tasks that have been set by your child's class teacher to keep up with learning at home. We have given your child a book to record their learning progress. Happy learning!

| Subject Area | Task to Complete |
|-----------------|--|
| Phonics | See how many phonic cards you can read in 1 minute. Can you improve your score? Use the cards to make five 3, 4 & 5 letter words. Write these words clearly in your home learning book. |
| Reading | Read one of the books that have been sent home and talk to a grown up about what you have read. What happened at the start, middle and end of the story? |
| Writing | Can you write a sentence about the book you have read? What might happen next? Write and draw a picture in your home learning book. Complete your handwriting book one page a day, don't forget to hold your pencil correctly and start on the dot. |
| Mathematics | Play dominoes. Can you find a double number. How many dots altogether. If you have no dominoes you could use two dice, can you roll a double? Can they half the even numbers to 10? |
| Project Work | We have just been learning about Farms? Can you make a poster to show everything you have learnt or know about farms? |
| Online Learning | Purple Mash: look on the 'to do' list and complete task. Although you may do additional activities, the Maths games are good fun. Mathletics: Continue to work on tasks set but you can do more activities if you wish. |

| | |
|-------------------------|--|
| Other tasks to complete | Make a healthy lunch! We designed healthy pizza's during 'Healthy Bodies, Healthy Minds week'. What could you eat? Make a Menu card to show what you had to eat. Go and play outside. |
