

SCHOOL

The school will do its best to:

- Provide an environment which has been risk assessed in response to the COVID-19 infection.
- Adhere to the social distancing rules as set out by the government as much as we reasonably can.
- Provide a curriculum that focuses initially on meeting the needs of your child's well-being and mental health.
- Follow cleaning routines to keep the premises clean throughout the day.
- Provide soap and sanitiser for use by pupils throughout the school.
- Reinforce safe hand hygiene and respiratory hygiene at all times.
- Contact parents/carers if your child displays symptoms of COVID-19.
- Inform you if staff or children in your child's 'bubble' show symptoms of COVID-19 as this will mean you will all need to self-isolate for at least 14 days or until the test comes back negative.
- Regularly review risk assessments, taking account of the changing situation relating to the coronavirus and subsequent emerging government guidance.

PARENT

To help my child at school, I know and understand that:

- I will comply with government guidance on social distancing outside of school in order to minimise the risk to the health and well being of other pupils and staff.
- I will not bring my child into school if they have any coronavirus symptoms, or are unwell in any way.
- If my child, or anyone in my household, shows symptoms of COVID-19, we will self-isolate for 14 days as a family, I will get them tested and I will let the school know as soon as possible the results of the test via telephone.
- If my child shows symptoms of COVID-19 at school, I will collect my child from school immediately.
- When dropping my child off and picking them up, I will adhere to the 2 metre social distancing rules, observing the routes marked out around the school site.
- When dropping off and picking up, I will strictly stick to the school timings for my child. I will leave the site promptly.
- I will inform the school in advance if I am not bringing my child to school.

- My child must not bring any items into school, except a snack, labelled water bottle, sun hat and suncream. These will be kept in school at all times.
- I will need to remind my child about social distancing rules but accept they are difficult to follow and that my child may not always do this successfully.
- My child may have their temperature taken during the day if they feel or present as being unwell.
- My child will need to use good respiratory and hand hygiene. Please practice hand hygiene rules at home.
- I will make contact with the school either via email or phone and not expect face-to-face meetings.
- I need to support all staff in their efforts to create an 'as safe as possible' environment.
- Read all letters/messages/emails that are sent home.
- I need to inform the school immediately of any changes to parents/carer and emergency contacts details.
- If my child is unsettled and is unable to cope at school at this time then I will be contacted and will collect them immediately.

CHILD

I will do my best to:

Keep my distance from other children as much as possible.

Tell an adult if I feel unwell.

Not bring things into school from home (for example toys) or take things home from school.

Only use the equipment provided to me by my teacher.

Walk sensibly with my grown-up to and from school.

Cough and sneeze into a tissue or my elbow.

Wash my hands during the day while I sing a hand washing song.

Follow our classroom charters.
