## Acceptable Use Agreement for Parents/ Carers and Children

Dear Parent/ Carer,

As part of the curriculum at Templemoor Infant and Nursery School, your child will be accessing the internet. In order to support the school in educating your child about online safety, the school has an Online Safety Policy available to view on the school website under the tab 'Parents', 'Online Safety'.

### This acceptable use agreement is intended to ensure:

- that children will be responsible users and stay safe while using the internet and other communication technologies for educational use.
- that school systems and users are protected from accidental or deliberate misuse that could put the security of the systems and users at risk.
- that parents and carers are aware of the importance of online safety and are involved in the education and guidance of children with regard to their online behaviour.

The school will try to ensure that children will have good access to digital technologies to enhance their learning and will, in return, expect pupils to agree to be responsible users. A copy of the pupil acceptable use agreement is on the reverse of this permission form.

Parents are requested to sign the agreement form below, and ask their child to sign the agreement on the reverse of this letter, to show their support of the school in this important aspect of the school's work.

### Parent/ Carer Agreement – PLEASE RETURN TO SCHOOL, ENSURING THAT BOTH SIDES HAVE BEEN COMPLETED

As the parent/carers of the above child, I understand my child has received, or will receive, online safety education to help them understand the importance of safe use of technology and the internet – both in and out of school.

I understand that the school will take every reasonable precaution, including monitoring and filtering systems, to ensure that children will be safe when they use the internet and systems. I also understand that the school cannot ultimately be held responsible for the nature and content of materials accessed on the internet.

I understand that my child's activity on the school systems will be monitored and that the school will contact me if they have concerns about any possible breaches of the acceptable use agreement.

I will encourage my child to adopt safe use of the internet and digital technologies at home and will inform the school if I have concerns over my child's online safety.
