

# Templemoor Infant and Nursery School

## Year 1 Home Learning: **Week 2**

Welcome to your child's home learning pack for week 2.

Here you will find a range of tasks that have been set by your child's class teacher to keep up with learning at home. We have given your child a book to record their learning progress. Happy learning!

Subject Area	Task to Complete
Phonics	Continue to complete pages in your Monster Phonics Booklet. Continue to review Set 2 and 3 sounds from any sheets received in phonics sessions.
Reading	Read another one of the books that have been sent home and talk to a grown up about what you have read.
Writing	Choose a picture (this could be online, a picture you have in your house, a photograph, or have a look at <a href="http://www.pobble365.com">www.pobble365.com</a> for more ideas). Think about what might be happening in the picture and write a story or narrative about what is going on.
Mathematics	See attached sheet (Maths Home Learning Grid). This is packed with a range of activities. We suggest aiming to: Learn 3 addition facts to 20, play a maths game and choose three other things to work on each week. Continue to enjoy Mathletics activities. We have not set any specific activities, but children may choose to complete independent activities, or to compete against others in the 'Play' section of the website.
Project Work	Continue to support your child in learning the names of the continents. Here is a song that could help: <a href="https://www.youtube.com/watch?v=K6DSMZ8b3LE">https://www.youtube.com/watch?v=K6DSMZ8b3LE</a>

	Choose another continent to explore, and show us what you find out. This can be done as creatively as you like, for example, building a model out of junk materials or lego, creating a fact file, designing a poster etc.
Online Learning	Purple Mash and Espresso: Login details are provided in the envelope sent home. There are lots of KS1 activities to support learning on these websites.
Other tasks to complete	Go on a lovely long walk Spring clean your room! Make a healthy snack Drawing and painting or even collage!
