

Sunday 15th March 2020

Dear Parents and Carers,

Given the current situation with the Covid-19 pandemic, Headteachers from across Sale have met and consulted on a combined approach to being prepared for any directives/instructions regarding school closures and/or social distancing. **Please keep in mind that there are currently no plans to close school at the moment.**

As a precautionary measure, and in line with other schools locally, the school has taken the decision to postpone any events this term that involve large gatherings of visitors within the school. As a result, Miss Kelly and I have made the decision to cancel all of the parent consultation meetings scheduled for the next two weeks. We are extremely sorry for the short notice and any inconvenience caused. We aim to reschedule the meetings for after the Easter break.

In addition to the parent consultation meetings, the following school events have also been postponed:

- The Year 2 Class Assembly, scheduled to take place on Friday 20th March.
- The Reception music assembly and Singing Club Assembly, scheduled for Wednesday 25th March have both been postponed.

Any trips or other events planned for between now and the end of term will be reviewed on a case by case basis.

We have not taken these decisions lightly and will continue to review our approach as the situation evolves. However, our primary objective is to balance the safety and well-being of our entire school community with our core focus on teaching and learning. If you have any further concerns or questions, please do not hesitate to contact the school.

Thank you very much for your continued understanding and support.

Kindest regards,

Mr Hodgson and Miss Kelly
